Embedded means you can satisfy the Family "Deductible" or the Family "Maximum Out-of-Pocket" by meeting the individual amount for any one (1) covered family member and then any combination of family members may satisfy the remaining amount.
For all Out-of-Network elective and Non-Emergent Services, there is no coverage.

(2) Some services listed may require Precertification. Network Providers should obtain Precertification for you. You are responsible for Precertification for all services by Out-of-Network Providers. A penalty of 50% of the Plan's Allowable Charge, to a maximum of \$10,000 will be applied if Precertification is not obtained. See the Plan's website at www.membershealthplannj.com for a complete Precertification list.

Note: This summary is not intended to be a comprehensive list of services and is not a guarantee of coverage. Once enrolled, you will be supplied with a Plan Document/Summary Plan Description (SPD) that will detail all covered services.
