⚠ Long-term medications

Act now to avoid paying more.

To continue your plan's coverage of certain long-term medicine, you'll need to fill it through a pharmacy network.

To avoid paying more than you need to for your medicine, you'll need to get it in **3-month supplies** from the network. This helps control costs by giving you larger supplies at each refill for certain types of medicine. You can choose to get your medicine from the network in one of these two ways:

Get it delivered

With this option:

- Receive medicine at your door from the Express Scripts Pharmacy SM in secure, weather-resistant packages
- Pay after your medicine ships
- Enjoy free standard shipping, which is part of your benefit
- Talk with your pharmacist any time - 24/7

Pick it up

With this option:

- Pick up your medicine at a pharmacy in the network
- Pay when you pick it up
- Choose from network pharmacies near you
- Transfer your prescription using our online instruction

Next, we'll walk you through the steps to compare prices for each option and to make your choice(s).

Decision Center – Pharmacy Pricing

Member selects their local 90-day Smart90 retail pharmacy for price comparison. Only client-selected pharmacy network options appear.

Start by Comparing Prices

You can compare prices for getting your medicine delivered or picking it up at a local pharmacy in your network.

First, locate a pharmacy in your network.

Please choose one pharmacy from the list below to begin comparing prices.

DUANE READE #16302 1 PENN PLZ STE 34 NEW YORK, NY 10119 212-268-3999	Distance 0.5 mi
<input type="button" value="Compare Prices"/>

DUANE READE #14186 322 8TH AVE NEW YORK, NY 10001 212-255-5025	Distance 0.8 mi
<input type="button" value="Compare Prices"/>	

- Enter ZIP code
- Select ‘Compare Prices’ under their pharmacy

Note: This pharmacy is only an example. *Only your pharmacy network will appear.*

Decision Center – Pharmacy Decisions

Member views 90-day pricing at their pharmacy and at home delivery. A decision must be made now for each prescription presented.

Then member selects:

- Pick up at pharmacy,
or
- Get it delivered

Compare Prices and Choose Your Options

Choose how you want to get each of the long-term medicines listed below.

- This list includes only long-term medicine that is affected by the network. You might take other medicine that is not on this list, and therefore is not affected by this network.
- You can choose different options for different medicines and for other people covered by your plan.
- You can change your choices any time, if it turns out that another option works better for you.
- You might have payment options available with home delivery. You can see details about this when you check out.
