Coverage for: Individual + Family | Plan Type: POS

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, www.MembersHealthPlanNJ.com or by calling 1-833-982-7368. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at https://www.healthcare.gov/sbc-glossary/ or call 1-833-982-7368 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In- <u>Network</u> : Individual \$5,000 / Family \$10,000. Out-of-Network: Individual \$5,000 / Family \$10,000.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. In- <u>network</u> office visits & <u>preventive care</u> are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	In- <u>Network</u> : Individual \$6,850 / Family \$13,700. Out-of-Network: Individual \$13,700 / Family \$27,400.	The <u>out–of–pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out–of–pocket</u> <u>limits</u> until the overall family <u>out–of–pocket limit</u> has been met.
What is not included in the out-of-pocket limit?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover & penalties for failure to obtain <u>pre-authorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out–of–pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.aetna.com/docfind or call 1-833- 982-7368 for a list of in- <u>network providers</u> .	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your **<u>deductible</u>** has been met, if a **<u>deductible</u>** applies.
